BIOMED ENERGY
& DIALYSIS INC.

Olive Sinclair

What Drives Us:

Guided by seasoned medical expertise, we are dedicated to enhancing patient care through quality dialysis services, consumables, and rigorous training and maintenance standards.

Who We Are:

Led by Olive Sinclair with over 30 years in medicine and nearly two decades in dialysis, Biomed Energy & Dialysis Inc. is a cornerstone of renal care in Guyana. Partnered with Lenny Fernandez, our operations extend beyond treatments to include education for clinical staff, dialysis consumables supply, and comprehensive machine servicing, dedicated to quality care and affordability.

Customers:

Dialysis units needing consumables and individuals requiring hemodialysis treatment for renal failure.

Market:

Guyana & Trinidad and Tobago

Upasna Mudlier

What Drives Us:

Driven by a legacy of empowerment and quality, we manufacture durable garments while creating vital employment for women, particularly single parents and school dropouts.

Who We Are:

Founded by Dennis Balkissoon Morgan Mudlier, Denmor Garments Manufacturers Inc. has grown over 26 years to become the Caribbean's largest garment manufacturer. Originating from humble beginnings, we prioritize empowering women with life skills and employment, adhering to our motto, 'Action thy duty, Reward not thy concern.' Our commitment extends beyond producing durable garments to fostering community growth and sustainability.

Customers:

Companies, Schools, Designers, Dancing and Athletics Clubs

Market:

Guyana & USA
